All the battles she had... won

**Mlm Mlm7 LAm7**

Just to give him life

**RE9**

**LAm7**

**RE7**

That man, she loved that man... for all his life

**LAm7** **RE9**  
But now we meet to take him flowers  
**SIsus4** **Mim, MIm7**  
And only God knows... why  
**RE** **SI7**  
For what's the use in pressing palms

So if it's God who took her son  
**REm** **MI7** **LAm**  
He cannot be the one living in her mind

But I was terrified  
**LAm7** **RE9** **SIsus4**  
You brushed my eyes with angels' wings, full of love  
**MIm**  
The kind that makes devils cry  
**LAm7** **RE9**  
So these days my life has changed  
**LAm7** **RE7**  
And I'll be fine (and I'll be fine)

**LAm7** **RE9**  
But she just sits and counts the hours  
**SIsus4** **MIm, MIm7**  
Searching for... her crime  
**RE** **SI7**  
So, what's the use in pressing palms

It's a cruel world, you've so much to prove  
**SI7** **MI** **MIsus4, MI**  
And Heaven helps the ones... who wait... for... you?

I've no daughters, I've no sons
